MELODIES OF THE HEART

With Niobe Weaver

You are invited to an exciting adventure in experiencing the music of your presence. As spiritual beings in human form, the vibrations that we are constantly sending out into the world are profoundly powerful. During this interactive workshop Niobe Weaver, Sound Healer and singer, will reflect to you the melodies of your Divine Heart, accompanied by messages from Spirit. She will also introduce the Language of Light, which we are all born understanding, its origins, power and purpose. You will come away with your heart touched and your mind opened to the sacred understanding of Who you really are and the joy of living your purpose in every moment.

Niobe Weaver is a Sound Healer and an accomplished singer/songwriter with a beautiful voice and loving heart. She loves sharing the language of light and sacred songs. She is a frequent speaker at Unity in the Olympics, as well as other New Thought churches nationally. Niobe has opened for presentations by Deepak Chopra and Alan Cohen. She comes to us from Bellingham, Washington.
